Julie Murdoch
Dear Ms Mahony,

I had the pleasure of attending the event on 12th September 2013 and was impressed with your school’s performance of Not Meant to be Broken - Society Rules. The performance by the students demonstrated a range of important life skills including leadership, teamwork, organisational and communication skills and I am sure the night was one the students will never forget.

I would like to applaud the students for their creativity, talent and professionalism and to thank you and your teachers for supporting the students in this year’s Wakakirri Secondary School Challenge.

Minister for Youth Affairs
