On the 11th of November the 6/7 class travelled to the Port MacDonnell memorial in front of the Customs House. They shared their Remembrance Day poetry with the community, including some parents and RSL members. They had been working hard for the previous two weeks learning poetry techniques and then putting it all together. Mr. Childs handed out some poppies and Mr. Egan read out the poem ‘In Flanders Fields’ and recited the Ode.

At 11:00 the students and community members shared a respectful minute silence.

A big welcome to several new students starting today! Jett Attard in Year 7 and Beau Mackintosh in Reception…. We hope you both settle well into your new classes and routines ...

**Premier’s Reading Challenge Celebration**

In order to celebrate and recognise the achievement of those who completed the 2013 Premier’s Reading Challenge, the school will once again be providing a BBQ free of charge.

This will occur on Friday 6th December at 12.30 and is ONLY for the students who completed the Challenge.

Medallions and certificates for students who have completed the Challenge for the first time will be given out during class time.

We have 18 students who will receive special recognition at the Success and Achievement Assembly at the end of the term. These students have completed either 8, 9, or 10 years of Reading Challenges which is a superb accomplishment!!!!!

Once again, thank-you to the parents and staff who have supported students at Allendale to embrace the love of reading and to rise to the challenge of reading more often.

We know that reading is the best way to be exposed to new words and that the wider the range of vocab then the better the student will do at school. So keep reading everyone!!!

**2013 School Magazine**

The Magazine Committee have been working hard this semester to bring to you this year’s School magazine.

We have taken onboard student suggestions from the survey we put out last term and this year the magazine will be filled with many more photos and some puzzles. Each class will have 2 pages allocated to it, there will be photos of excursions, celebration days and happy snaps, as well as the obligatory reports and summaries.

The winner of the Magazine Front Cover competition will be revealed but all of the entries will feature inside!

The magazine is a special memento of precious childhood events and memories and a must have for every family bookshelf!

The cost of the magazine this year is $10.

Please fill in the order form below and return it and the money to the Front Office by Friday, 29th November / Week 7. Thank you.

Ms Mitchell and the Magazine Committee

The best part of being involved in the Christmas parade is always the excitement and enjoyment that students experience. Sophie Lewis (reception) commented at the end “I just want to do it all again”.

Our fantastic Chinese Dragon was eye catching as it wove its way down the main street, followed by 50 students, staff and parents dressed brightly in Chinese costumes or colours, to the music of ‘Kung Fu fighting’. Large red lanterns helped set the scene and on-lookers were clapping in appreciation along the way.

This was a wonderful culmination to the study of the Chinese culture and language across R-9 year levels this year. We hope to continue the learning through the Open Access College in 2014 as it has been so successful and fulfills the Australian Curriculum requirements of Languages and Studies of Asia.

Allendale East Area School won Best School Float for the Parade. This was a prize of $500! Many thanks to Tanielle Brooksby and staff helpers, and a special thanks to parents who participated or supported their child to be involved. Lastly, a big thank you to Mason Millard, Isabelle Jenkin and Salem Moody for being our last minute ‘Dragon Helpers’.
