SAPOL VISIT - FRIDAY, 29TH AUGUST, 2014.

On Friday, the 29th August, Senior School Students attended a Road Safety Session, presented by Michael Lord. It was an informative and well run session, which presented students with “real life” situations and the “realities” of making the wrong choices, when driving and as a passenger.

Students were exposed to these harsh realities, with confronting scenes, which left them thinking more about safety on the road and ways of avoiding serious crashes. The key point that was constantly re-iterated was that it is all about making the right “CHOICE”.
