ART Exhibition

Modern Masters was definitely popular on Monday night! The Community Complex was the place to be, with over 200 guests to view the exhibition and enjoy the Opening. Some high class nibbles were enjoyed by all, while the beautiful background singing by a group of performing arts students set the scene, then faded into the buzz of the crowd. Education Director Adam Box made a speech about the importance of art and creativity in our students, before we drew out the door prizes.

Thank you to the community members who sponsored the show. Many of the artworks have been sold, but you still have opportunity to buy a masterpiece as the exhibition will be on display until October 12th ...

**Workplace Safety Visit Year 10 Class**

On Wednesday, 3rd September, our Year 10 class had two guest speakers from Occupational Health and Safety Training, and a guest speaker from Group Training Employment. They spoke to us about workplace safety as we have Work Experience in week 10. **By Matt Howard**

It was useful. They explained what questions we should ask on work sites and how to act. **By Tomae Ebejer & Cynthia Harris**

It was very educational. They told us how we should take pride in how we look and present ourselves in the workplace and we learnt about the company GTE and how to enrol for work experience and to prepare you for work. **By Jayde Sollitt & Kacee Glynn**

YEAR 11 FOOD & HOSPITALITY HIGH TEA

Thursday 7th August Week 3.
4 Year 11 Students – Beth, Taylor, Emma & Hameda.

Students began preparations during previous lessons, at home, before school and during Lunch time to plan, prepare, cook and serve “High Tea” dishes and drinks and decorate the tables in a theme for the occasion. This High Tea event was a major assessment task for Year 11 Food and Hospitality and students successfully delivered many delicious savoury and sweet dishes, to a much appreciative staff group who thoroughly enjoyed this unique experience during Thursday’s lunch time.

The tables were beautifully displayed to create a High Tea experience with cake tiers, various glassware, cutlery, dishes, cups and decorations including candles, flowers and rose petals. The teachers soaked up the event and provided students with constructive feedback on the food, beverages and service. Some of the dishes included – mini quiche, mini cottage pie, mini toasties, passionfruit kisses, chocolate mousse & chocolate cheesecake cups.

This annual event is a Highlight for many staff with comments: “Can we do this every lunchtime?” “That is the best 5 dollars I have ever spent” comment from Mr Chesser who enjoyed the High Tea.
