Anti-Poverty Week

Year 3 and 4 shared understanding of, and showed empathy for those suffering from poverty both worldwide and here at home in Australia last week. They had cold rice instead of brain break one day and swapped a charity item, gold coin, or food for a sausage.

They raised approximately $24 for charity, along with food and clothes donations.

A huge thank you to all who supported us.

Choir

Choir students did a wonderful job at the Festival of Music in the Sir Robert Helpmann theatre on Wednesday. It was obvious that they all enjoyed the experience of performing to a large audience while parents and friends soaked up the music and talent displayed.

Josh Kain made us all proud when he got in the groove with his "turn the beat around" solo. His rapping and moves were well rehearsed and drew a loud applause from the crowd.

Thanks to Lucy Ridley for developing in our students a love of music and courage to perform. Great job choir students.

Chloe played her last game for the season with Tigers Netball Club in Hamilton as part of the South West Games. We had a long day, leaving home at 7.30am and not getting home until 5pm. Her team was quite dominant during the day, but still maintained their sportsmanship by helping others on the opposing team to score goals. Chloe’s team was undefeated for the day winning all 6 games of their round robin and then played in the Grand Final against Warrnambool where they won by 2 goals. They all received a gold medal. Chloe played WA and WD and had lots of fun.
