Farewell Year 12 Students

With a lot of laughs and a little sadness the Year 12 students were farewelled by staff and students on Wednesday. The day started with a combined Staff/Year 12 breakfast in the Home Ec room followed by a whole school assembly. Vice School Captains Felicity Treacey and Jason Watts gave a speech to thank them for their commitment to AEAS and wish them well in their future endeavours. The Year 12’s each spoke briefly, but fondly about their memories of schooling at Allendale and their future goals.

Breanna Watts has an apprenticeship on a dairy.
Billy Moir and Liam Panther are keen to gain training and work as an electrician or with electronics.
Brianna Higgs and Michelle Sylvester would like to complete a Diploma in Child Care.
Libby Altorfer has applied to University to study Radiography or Teaching.
Sally Anne McBain has studied hard for an ATAR so that she has the option to go to Uni and pursue her talents in design.
Kaneta Marin has applied to do teaching at university before she embarks on a career as a Policewoman.
Alesha Hales is very keen to gain acceptance into the Navy. She is also interested in a Marine Biology Degree at University.
Annie Breen is looking for part time work while her photography business gets established and grows.

We are extremely proud of how they have developed as young adults, great contributors to the school, and their determination to achieve highly.

Wishing you all success in your chosen area, from the staff and students AEAS.

You will all be missed.

Beth Mahony / Principal

IMPORTANT INTERNET SAFETY TIPS FOR PARENTS AND CARERS

Very close supervision for your children is recommended. There should be a limit to the number of people kids talk to online and the parent/carer should know who they are too.
