**Students & Steers Shine At Mount Gambier Show**

In Week 1 of term 3 the Led Steer Team competed at the Mount Gambier Show with an Angus and a Simmental Steer. The competition was very strong this year with 18 steers exhibited from across 7 schools. Ferdinand our Simmental Steer received a third place in the light weight class on the hoof on the day. Since the hoof judging steers have been judged on the hook for meat quality. In this judging we received 3rd place overall for Fletcher our Angus steer. He was awarded 89.16 points out of 100. This was only 2 points below the winning exhibit. Ferdinand ended up with a score of 81.46 placing him 11th. We were also successful in the handling competition with a strong representation of students across the novice and experienced categories. Yakirah Agnew in year 9 displayed excellent skills and ended up securing 3rd place in the novice class. Well done Yakirah! I would like to thank our breeders who donated the animals Brad & Allan Lucas of Glentanner Angus and Brad Creek of Six Creeks Simmentals. Also, Brad Lucas again for clipping and transporting the animals to the show on our behalf.

Finally I would like to acknowledge and thank the students who have been dedicated to the Led Steer Team during enterprise lessons all year. These students are Natika Fensom, Tia Taylor, James Bald, Jordan Moir, Lewis Riley, Yakirah Agnew and Caitlin Snelling. As well as Margaux Terek and Amber Foster who were involved in lunch time sessions over term 3.

| Two members of SRC, Shelby Gray and Ashton Jones, have formed a student working party with Ms Hodson to organise activities for White Ribbon day this year. They have brainstormed ideas and are starting to plan how the day will look. Ideas include tying ribbons to the fence at the front of the school so passing drivers see, a photography competition, showcasing of student work and an assembly with guest speakers. We look forward to seeing what else they come up with. | **Two members of SRC, Shelby Gray and Ashton Jones, have formed a student working party with Ms Hodson to organise activities for White Ribbon day this year. Learning About Oral Health

Last term Judy McKay visited our school to teach us about oral health, including the importance of brushing, flossing, and the affects foods and drinks have on our teeth and gums.

These sessions were enjoyed by various Primary and Secondary classes.

Cricket Coaching

In September, our school was fortunate to have had a coaching clinic for R-3 students run by the South Australian Cricket Association. Lots of fun was had and skills learnt and practised.

SACA runs these sessions at schools where Milo in2Cricket programs are facilitated.
